To whom it may concern

I am writing to you in support of Mr. Mohamad AL AMMAR and his desire to do his training in your respectful company.

Mr. AL AMMAR is a 3rd year student at the Université Antonine - Baabda. He is a regular student, and he takes his courses on a fully basis.

I feel he is motivated enough to fully benefit from this opportunity and it is with a great pleasure that I recommend Mr. Mohamad AL AMMAR.

It is worthy to mention that the Faculty of Engineering at the Université Antonine requires for the 3rd year students a 3 months training in order to discover and integrate a company environment.

Please do not hesitate to contact us for any further information.

Yours faithfully,

Chady ABOU JAOUDE, PhD

Dean of the Faculty of Engineering
